SAN ANTONIO MISSIONS TOUR

Friday, April 14, 0900-1230

In San Antonio they celebrate their heritage and they hold their city's true history in the highest regard. San Antonio Missions National Historical Park was named the first World Heritage Site in Texas by the United Nations Organization for Education, Science and Culture (UNESCO). The site includes the city's four southernmost Spanish colonial missions – Concepción, San José, San Juan and Espada. In the 18th century, Spanish priests established these five Catholic missions along the San Antonio River to serve as the center of an ethnically diverse society. Today, the missions – walled compounds encompassing a church and buildings where the priests and local Native Americans lived – represent the largest concentration of Spanish colonial missions in North America. We'll visit Mission San Jose and Mission Concepcion, and drive by and hear the history of Mission San Juan, Mission Espada, and their famous Espada aqueduct. One of the many beautiful aspects of San Antonio Missions National Historical Park is that though it is a site steeped in history, it is still very much a thriving, active community today. Enjoy exploring what is old while discovering what is new.

**0900 bus departs (Hotel Entrance), 1230 back at hotel
\$60/Person includes bus and guide**

The Ready Room will be in the Olivares Room on the River Level of the hotel. Beverages and snacks will be provided by the Central Flight. A donation jar will be available and we encourage attendees to contribute as you see fit. Coffee and pastries will be available in the mornings in the Presidential Suite (specific room number will be provided at registration)

Parking is limited due to the downtown location of the hotel. Valet parking is available at the hotel for a cost of \$45 per night, however, Golden Eagles will receive a 25% discount on that rate or \$33.75. Additional parking is available at the parking garage across the street from the hotel for \$25 per day. Valet parking allows unlimited coming and going from the hotel with no extra charge, but the facility across from the hotel will charge \$25 each time the vehicle enters the garage.
