TOUR DESCRIPTIONS

ST. AUGUSTINE TOUR

Friday, April 26

Aboard private trolleys, learn how St. Augustine became the “Oldest Continuously Occupied City in the United States.” Listen to stories of Magnolia Street, known as one of the most beautiful streets in America. You will hear of Henry Flagler and his three wives and see many of the buildings that Henry had built. Marvel at the Spanish architecture and many historical sites. You’re sure to enjoy this fully narrated tour of St. Augustine, covering more than 100 points of interest and over 500 years of history. Not only will it be educational, but entertaining as well! After the tour, stroll down the restored St. George Street, lined with quaint shops, art galleries, and restaurants. You’re also free to tour some of the historic buildings you saw on the tour (admissions on your own). You may want to see Castillo de San Marcos, a fort built by the Spanish over 300 years ago. Enjoy free time on your own for shopping, lunch, and exploring before returning to Jacksonville.

9:00am board bus, 2:30pm back at hotel

\$85/Person includes bus, escort, and guided trolley tour.

Lunch on your own

DRINK TICKETS

Drink tickets are included in your registration packet (5 per person). The tickets may be used for the Welcome Aboard Reception on Thursday or Cocktails & Banquet on Saturday, interchangeably. The tickets may be exchanged for beer, wine or cocktails. Non-alcoholic drinks are handled in an ‘open bar’ fashion; simply ask for one at any bar – no ticket, no cash required. If you need additional tickets, they may be purchased from Molly, or from the Ready Room, for \$5 apiece; tickets purchased but not used will be deemed a donation to the Eagles Nest ‘Kitty’ (with our collective thanks).

ROOM DISCOUNT

When making your room reservations, you will see a quoted rate, commensurate with the amenities selected. This is the Golden Eagle rate established for our Group Block Rate. At Checkout, a \$25 per night room discount will be applied to your bill.
