Please review this order confirmation and attachments for accuracy and advise of any changes that are required IMMEDIATELY. The REMAINING TOTAL is due no less than 2-weeks prior to estimated ship date. Failure to make final payment on-time may result in postponement of shipment and storage fees. Funds transfer details, kit packaging details, and freight methods and cost explanation documents are attached. Please read and become familiar with the attachments as we will refer to them throughout the order process. Customer is responsible for shipping costs and any fees associated with this transaction. This document and order are subject to all "Terms and Conditions" posted on www.sonexaircraft.com.
